We are a fully licensed and insured painting contractor serving the Tampa Bay area.

Presto Painting Services specializes in the painting of interior and exterior commercial properties, such as office spaces, warehouses, shopping centers, industrial buildings, schools, churches, hotels and multifamily complexes. Since 2011, we have been continuously chosen for commercial jobs because our track record shows we are organized, communicative and well-equipped to handle any project, large or small.

Our Process

Our team will come to your project site and give you a free estimate for the work you request. Our knowledgeable estimators may provide additional or alternative recommendations based on your and the building's needs. Once we take measurements and discuss your desired schedule for work completed, we will respond to you with a written estimate. This estimate provides all the information you will need to be informed of the job's process, including Scope of Work, Payment Terms, and Preparation. Depending on the size of the project, a Schedule of Values (with correlating Project Phases) may be included following the initial estimate.

Once a price and fee schedule is agreed upon, we schedule one or more of our several crews to begin at your targeted date. Our painters are very friendly and talented, and our leads are on site throughout the project to ensure satisfaction. We are experienced in the operation of specialty equipment, such as pressure washers, scaffolding and boom lifts. We handle every aspect of the job, from preparation to clean up, and we also have a maintenance program available to keep your new paint job looking fresh year-round.

Satisfaction Guarantee

Presto Painting Services takes several steps to ensure our customers are satisfied:

- We only use quality paint and materials from well-known manufacturers to ensure durability for your property. Our service comes with a Three-Year Warranty on the paint and workmanship.
- Our supervisors are on site throughout the project and maintain regular communication with our customers to make sure the job is completed to your expectations.
- If you are a business that gets heavy traffic and want to keep your walls looking new, ask us about our monthly maintenance program.
- We have provided painting services in the Tampa Bay area since 2011 and have a Five-Star rating on Google.

"I have nothing but positive things to say about Ron and his team at Presto Painting. Pricing was extremely fair for the attention to detail, quality of materials used, and for the final results we received. If you are looking for a professional, honest, and quality paint service for your home, please give Ron a call. You won't be disappointed!"

Kristina C.

"We had our three-story townhouse interior painted from top to bottom. I called presto painting based on a yelp review. Ric called me the same day and came out to measure the same day. He was informative and honest- If there was an area that I didn't need to be painted he said so. We received the quote within two days. We were allowed to pick as many colors as we wanted. We agreed with the price and booked a date. Ric told me it would take roughly five days- it only took 3 full days. There was a crew of five guys, they were thorough, had excellent technique, cleaned up their area before they left each day- arrived at eight am and left at 5:30 every day- all of them were polite, on time and efficient. all areas where there was a color change have precise lines. I was so pleasantly surprised that from first day of meeting Ric to completion of the entire job was ten days. I can not say enough about how good our experience with this company was. Five stars!!!"

Andrea M.

"Presto recently painted our interior and exterior. Rick and his team were amazing - start to finish. They did such a professional job and totally transformed the look of our home. They communicated well and worked quickly with a truly talented team. I love their work and wouldn't trust our home with anyone else."

Kris B.

"Highly recommend Presto. They were prompt and courteous with our initial meeting and bid. The painters were punctual, tidy, and efficient. I added to areas to be painted after the first day and they didn't skip a beat and were happy to do so! I would use them again in a heartbeat."

Renee C.

"Customer Service & Quality blended together seamlessly! Couldn't be happier or more satisfied!"

Amber W.

"Once again Moe and the team at Presto Painting did a great job. Even with a hurricane looming they were on time and wrapped before the storm came. We did a dark color, so a small touch up was require and they were out within a day of me contacting them. I really appreciate their work."
