To Whom It May Concern:

Ron Silverman was recommended to me by several businesses that are members of the Carrollwood Area Business Association.

Presto Painting Services, represented by Ron Silverman, painted our Primary Building hallway. This particular hallway is very unique as the ceiling is two stories high and the area over the office is an open space that also required painting. In the hallway they painted two adult and two student restrooms, and several alcoves as well.

Ron had to rent a motorized lifter in order for his crew to reach the top of the walls. The crew worked diligently in repairing cracks, patching holes, and cutting in around bulletin boards. They worked quickly and neatly. Ron also was kind enough to allow our maintenance personnel to use the lifter to change the lighting above the hallway, which saved the school money. His cost was competitive with the two other bids I was required to obtain.

It is with great pleasure that Hillel Academy, a private day school, recommends Ron and Presto Painting for all your painting needs.

Should you have any questions, please feel free to phone me during school hours.

Sincerely,

Susan Guess
